## Early Childhood Family Education

(ECFE) is a program for all Minnesota families with children between the ages of birth to kindergarten. The program is offered through Minnesota public school districts.

ECFE offers parents hands-on learning experiences that will nourish a lifetime of teachable moments.

All ECFE classes are taught by licensed teachers and parent educators to provide the quality education for which parents are looking.

Together, parents and children, newborn to kindergarten age, participate in activities and experiences that foster children's social, emotional, cognitive, physical, and language skills.

## Baby & Me Classes

Infants up to 1 year old

You've likely read some things and heard all kinds of advice, but nobody else has ever parented your child. In our infant classes you'll spend time connecting with other parents going through many of the same things. We'll talk about infant development, eating, sleeping, parent/child attachment, self-care and other topics unique to you and your infant. Whether this is your first or your fifth, you'll find yourself amongst friends. (Please inquire if the "sessions" listed do not completely coincide with your maternity leave. You are welcome to join class around your maternity leave and as space allows.) (Non-Separating - you and your child stay together for the entire class)

Early Childhood Screening provides an opportunity for parents to discuss and find out about resources in the school and community.

### The Screening Process

Screening includes a health history, immunization assessment, height and weight assessment, interview with parents and screening in the following areas:

- Hearing & vision
- Speech & development
- Fine & gross motor skills
- Social-emotional

### Make your appointment by calling 763-477-7500

Appointments are needed and letters are sent to families with age-eligible children. If you have a child in this age group and do not receive a letter, please call the Early Childhood Programs office, 763-477-7500.

## The Launching Pad Preschool

Ages 3 to 5 years

The Launching Pad Preschool provides an outstanding and unique public preschool experience for your child. We embrace a Reggio Emilia-inspired philosophy and Creative Curriculum. The Reggio-inspired approach encourages exploration, discovery and critical thinking. Our Creative Curriculum is research based, and aligned with the Minnesota Early Childhood Indicators of Progress (ECIPs).

Our program is founded on the belief that all children have great potential, are curious, and are interested in constructing their learning. Learning activities are exciting, creative, and developmentally appropriate. We focus on some of these key elements that encourage children's growth and learning:

### Project-based learning:

Stresses individual and small group investigation of topics that are of interest to the children. Teachers integrate skills acquisition within the project work.

### Inquiry-based learning:

Emphasizes thinking and problem solving, and is a natural progression for students as they move into kindergarten and the primary grades.

### Authentic Art:

Helps children find expression through authentic art experiences and have the opportunity to explore materials and processes.

### Launching Pad Preschool offers:

Full Day Programs: 2 or 3 or 5 days per week

Half Day Programs: 2, 3 or 5 days per week

## Procedures

Children are our future. We value humanity, the strength of families and celebrate differences and we are committed to promoting the value of families in our society. To accomplish our goals in the fairest way possible, we must adhere to the following procedures:

### Missed Classes

Call the ECFE office at 763-477-7500 when you are unable to attend class.

### Behavior

Staff will immediately respond to children engaged in unsafe play whether or not a parent is present. Staff will assist parents with appropriate guidance when necessary.

## Health Procedures

We have a designated area to put all toys that come into contact with a child's mouth; these are sterilized daily. A child who has a fever of 100 degrees or more, or has vomited within the past 24 hours should not attend classes. Children should be kept home if they exhibit a sore throat, diarrhea, thick mucous from the nose, undiagnosed rash, inflamed or mattery eyes, infected sores, or persistent itching of body or scalp. If a child comes to school with these conditions, we will request the parent and child to leave and return when symptoms have disappeared.

## Weather Related School Closings

When school is cancelled due to weather or other emergencies, ECFE classes and trips are also cancelled. When school has a late start, morning ECFE classes will be cancelled. Please listen to WCCO 830 or KRWC 1360 radio, KARE 11 or WCCO 4 TV, or check the Rockford Area Schools website for late start or closing information.

## Our classes are affordable to all

Class fees are based on a sliding fee schedule according to income and family size. No family who meets scholarship requirements will be turned away for inability to pay, dependent on availability of class enrollment openings. Family fee applies to members of immediate family only.
